

THE LATEST IN THE
EVOLUTION OF *FINE*
INTERIOR COATINGS

EVOLUTION[®] by Miller Paint Co. Interior Coating

Our finest 100% pure acrylic interior coating enhanced with and antimicrobial protection. Evolution offers superior stain resistance, durability, and ease of application with its splatter resistant formula. The matte finish delivers minimal light reflection, which helps to hide wall imperfections and creates deep, rich colors with minimal sheen. The semigloss sheen delivers a sleek sheen that will hold up to the rigors of daily life and repeated washings. Evolution also offers our exclusive lifetime warranty and peace of mind knowing the best paint system is only available at Miller Paint.

- Advanced high-quality 100% pure acrylic system
- Easy to apply: Brush, roll or spray
- Superior adhesion
- Washability in both sheens
- Mildew, mold & algae resistant
- Excellent flow and leveling
- Easy clean-up with just water

Specification figures should be taken as accurate for products being produced at the time of publication in untinted white bases only. Formulation improvements may be made from time to time that may affect these figures to some degree. Manufacturing tolerances of +/-2% are considered acceptable. Whenever a change is made that the Manufacturer considers substantial, the Specification will be revised.
